

## Prairie Spirit Hockey and Multi-sport Academies

*Academic Excellence. Athletic Development. Student Success.*

### Overview

For the 2025/26 school year, Prairie Spirit School Division proudly offers two dynamic sports academy opportunities for students interested in combining athletic development with academic achievement:

- **Hockey Academy:** students in **Grades 6 - 12**
- **Multi-sport Academy:** students in **Grades 9 - 12**
  - athletics
  - baseball
  - fast pitch/softball
  - football
  - volleyball

Who	Prairie Spirit student-athletes
What	Hockey and multi-sport academies
Where	Martensville Recreation Centre
When	2025/26 school year, Sept. to June
For passionate student-athletes in Grades 6-12 enrolled in Prairie Spirit schools who want to elevate their game!	

*\*Note: all programs are subject to minimum enrollment numbers.*

These academies are integrated into the regular school schedule and provide students with access to high-quality athletic training while maintaining a strong focus on curricular outcomes and academic success.

The academies will run throughout the 2025/26 school year (September to June) at the Martensville Recreation Centre (MRC).

### Flexible Structure – Stay Connected to Your School

Academy students remain fully connected to their home school community. They attend morning classes with their peers, take part in school-based activities, and maintain relationships with friends and staff.

In the afternoon, students transition to their academy program and receive academic credits for their training and learning with high quality instruction from Prairie Spirit teachers.

This structure supports:

- Strong academic engagement in the morning
- High-level athletic and academic development in the afternoon
- More free time in the evenings for family, friends, work, and other extracurricular activities

## Transportation

Prairie Spirit will provide transportation to the MRC each afternoon from the following schools:

- Lake Vista Public School
- Martensville High School
- Valley Manor Elementary School
- Venture Heights Elementary School
- École Warman Elementary School
- Warman Community Middle School
- Warman High School

Elementary students will be transported to their home school at the end of the school day.

## Location and Partners

Both academies are based out of the new state-of-the-art Martensville Recreation Centre and operate in collaboration with [Trach Sports Academy](#). The program offers a range of professional partners - mentors, trainers, strength coaches, guest speakers, and community partners. These partnerships ensure students receive expert instruction in athletics, wellness, and leadership, all while staying closely connected to their school community and academic success.

## Academics and Curriculum

- Prairie Spirit teachers provide high quality instruction based on the Saskatchewan curriculum
- Student-athletes earn Physical Education and elective credits aligned with the Saskatchewan curriculum
- Programming emphasizes:
  - Skill development and physical literacy
  - Leadership and character education
  - Time management and student accountability
  - Sport-specific and general athletic training
  - Academic achievement and well-being

## Why Choose Prairie Spirit Academies?

- ✓ Delivered by qualified educators and coaches
- ✓ Designed to support the *whole student*—mind, body, and spirit
- ✓ Build confidence, teamwork, and life skills
- ✓ Balance athletic ambition with academic responsibility
