

Steps for Reporting Suspected Child Abuse

Appendix A, AP-425 Reporting of Child Abuse

- Reassure the child that they are safe and this is not their fault; record what child has reported and your observations.
- Call local Ministry or Social Services or First Nations Child and Family Services Agency child protection intake and/or local Police.
- Complete Report of Suspected Child Abuse (on same day report was made), obtain Principal signature and send to Director Designate at Division Office.
