<b>HOME-BASED EDUCATION</b>	<b>Related Administrative Procedures:</b> <a href="#">AP-610 Purchase of Services</a>

**Purpose:** To provide guidance to employees when supporting a family that has chosen home-based education for their children.

The Division acknowledges the (legal) right of parents residing within the school division to choose home-based education for their children.

Students participating in home-based education are students of the Division and are required to be registered as such.

### 1) Registration

- a) The Director or designate is responsible for the registration of home-based education programs and students.
- b) Parents or guardians are to register their home-based education program with the Director or designate by September 15 of each year.
- c) Parents or guardians establishing residence in the school division during the school year are to notify the Director or designate of their intent to register.

### 2) Annual Progress Report

- a) Parents or guardians are to provide an Annual Progress Report to the Director or designate for each student by June 30.
- b) A conference to review the student's progress is an option and may be initiated by either the Director or designate or parent/guardian.

### 3) Termination

- a) If a home-based educator wishes to terminate a registered home-based education program during the year in which it is registered, the home-based educator shall notify the registering authority, in writing, in accordance with the policies established by the Minister of Education.
- b) On receipt of a notice pursuant to subsection (a) above, the registering authority shall cancel the registration of the home-based education program, effective on the date of termination specified in the notice.

- c) If the registration of a home-based education program is terminated at the request of a home-based educator pursuant to this section, the home-based educator is not entitled to register a home-based education program for that pupil until the school year following the school year in which the registered home-based education program is terminated.

#### 4) Activities and Services

The following resources and/or services as arranged by the Director or designate may be provided by the Division:

- Provincial curriculum information
- Textbooks and learning resources used in Prairie Spirit schools
- Access to Prairie Spirit libraries
- Learner assessments
- Participation of home-based students in field trips, special events, or extra-curricular activities at the school, subject to school-based criteria and attendance area policy. Parents are responsible for ensuring that the schools receive reasonable notice of the desire to participate and recognize that such participation may require payment of extra cost associated with the program.
- Driver education
- Two (2) elective courses (distance education and/or in-school) per school year at the Grade 10 to 12 level.
  - i) Parents will be billed for any additional elective courses beyond the two (2) and for any core distance education courses, which include English Language Arts (ELA), Math, Social Studies and Science.
  - ii) Registration for all courses must be requested through and approved by the Director or designate. In-school courses must also be approved by the school administrator.
  - iii) If more than two (2) courses are being considered and at the request of the Home-Based Educator parent, students may transfer into the Division's Spirit e-Learning School in September and a full course load may be taken at no additional cost to parents. Course counselling will be provided through the Spirit e-Learning Facilitator.

#### 5) Funding

- a) Home-based educators will receive an annual reimbursement as approved by the Board provided that registration requirements have been met.
- b) Home-based educators shall have the option to not participate in any funding program without prejudice.
