## Message from the Board of Education

On behalf of the Prairie Spirit Board of Education, I am pleased to take this opportunity to wish all Prairie Spirit staff and families a very Merry Christmas!

The Board is very appreciative of all that you do to support personal, student, school, Division and provincial learning goals. Your work is imperative to ensuring that our students have every opportunity to succeed.

Merry Christmas, safe travels, have fun and relax!

## Message from the Director of Education

Christmas is a time to focus on things that are important to us – whether it's a reflection on the year end, time with family and friends during the Christmas season, or a break from our regular schedule that allows for a rest or a change of pace.

All good things that remind us of the importance of being in the moment – being *present*. Your *presence* is the best *present*!

This Christmas, may you be grateful for all the gifts around you. What will your Christmas *presence* be like? Merry Christmas and best wishes!
