# Common Framework of Reference (CFR) Condensed: Grade 6

**Revised October 2020** 

#### Introduction:

The following pages are a condensed version of the original CFR documents for reading and writing created in 2015 by the Ministry of Education in partnership with a team from Saskatoon Public School Division.

In order to make the document more user-friendly for classroom teachers, Prairie Spirit School Division sought to create a similar resource that teachers could use for the purposes of assessment, reporting to parents, and directing their teaching practice. Key features are as follows:

- 1. One document has been created for each grade to reduce superfluous material.
- 2. The rubric is intended to be compact and easy to scan visually as a single two-sided document. The descriptors come straight from the original CFR documents.
- 3. The rubric is formatted as a checklist for teachers to use as formative assessment.
- 4. The rubric includes a space for student information so that teachers can print one for each EAL student to easily track their progress.
- 5. An appendix is included with material referred to in the rubric (ie. Sight word lists, semantic maps, vocabulary templates, etc.).
- 6. Grade level expectations are included from the original document in order to make it applicable to all students.
- 7. Writing exemplars from the original document are included to assist teachers in comparing and scoring accuracy, not only for the EAL student but for all students.

The rubrics in this document are intended for teachers as a way of updating parents on student progress during parent teacher interviews and/or for conferring with other teachers on student achievement. These rubrics are NOT intended to give to parents.

Prairie Spirit would like to acknowledge the Ministry of Education for their funding which allowed this document to be created as well as to the EAL team of Prairie Spirit including:

Liz Harrison Cheryl Redekopp Meredith Rhinas Robert Troupe

## **General Overview Grade Six Writing**

| A1.1 | Grades 6 students at A 1.1 can write the alphabet independently and, with assistance, some simple words. At the A 1.1 stage, students can print their own name, copy/write names of familiar objects, and convey meaning through drawings. They are aware of sound to symbol relationships, often representing a word with its beginning consonant. With assistance, they can write a patterned sentence and can fill in a questionnaire about themselves.                                                        |
|------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| A1.2 | Grades 6 students at A 1.2 are beginning, with support, to use subject area vocabulary and descriptive words. Their ideas are beginning to be connected by a topic. They are able to produce simple descriptions of everyday objects, simple informal messages, as well as label diagrams. They are attempting to use capital letters and punctuation as well as the lines on their paper. They are able to produce simple sentences, including questions, in the present tense using familiar, learned patterns. |
| A2.1 | Grades 6 students at A 2.1 use straightforward sentences and expressions to describe such things as their surroundings, their daily activities, and the people around them. They are using descriptive words, singular and plural word forms, prepositions, and transitional words.                                                                                                                                                                                                                               |
| A2.2 | Grades 6 students at A 2.2 describe common objects or familiar places using short, straightforward sentences. They are using important connecting words, transitions, and more varied sentence types. They are attempting more advanced types of punctuation.                                                                                                                                                                                                                                                     |
| B1.1 | Grades 6 students at B 1.1 have sufficient vocabulary to express themselves on most familiar topics of interest to them. Errors occur, but the intent of the communication is usually clear. B 1.1 students are beginning to use academic vocabulary and are capable of writing in a number of genres.                                                                                                                                                                                                            |
| B1.2 | Grades 6 students at B 1.2 can write about familiar topics using comparison and contrast; describe objects of interest including the advantages and disadvantages involved; and present a personal opinion about an issue. These students can write brief descriptions of a process using appropriate transitional language. Their use of punctuation approaches that of grade level as does their facility to use appropriate conventions and spelling.                                                          |

#### ENGLISH LANGUAGE ARTS (ELA) WRITING EXPECTATIONS - GRADE 6

A Grade Six student meeting curricular expectations\* is performing at level four of the six level ELA curriculum rubric. The student writes compositions that are clear and straightforward. The compositions are adequately developed, appropriate to purpose, and show some awareness of audience. The student demonstrates control over the language elements and techniques. Minor errors, though noticeable, do not impede communication.

- Is beginning to use descriptive words (black, white);
- Writes some simple sight words (is, the);
- Uses word families (help, helped);
- Uses capitalization with some errors;
- Attempts to represent simple words phonetically, particularly beginning consonants (nas=nice; sam=same);

- Spells own name;
- Leaves spaces between words;
- Uses subject –predicate order with some accuracy;
- Writes on the paper's lines.

#### **Learner Profile for EAL A 2.1**

Arjun is a Grade Six student whose writing is at the A 2.1 level.

In the writing sample, you will see that Arjun:

- Uses simple prepositions (in, with, from);
- Uses capitalization and final punctuation, albeit with errors;
- Writes short sentences in the simple past (I came from South Korea);
- Writes description in short, simple sentences expressing attitudes;
- Uses compound sentences.

Note: Arjun's writing reflects a higher level of mechanical competency as evidenced by the use of advanced punctuation (quotation marks and use of commas).

#### **Learner Profile for EAL A 2.2**

Baila is a Grade Five student whose writing is at the A 2.2 level.

This formily is diffront then my family My family is different then this family because they are from different country and the man is from different country because the man is blick. I think the man is differ ent then his wife. They have two ch and my family just have one child and that a me. They have different sizes like the man is thin and tall his rigitle is little for and My dad is thin and little but and my mon is thin and tall. The women has little havies and my mom has long hairs. I gessing is that they don't speak arme langue as we speak - There children boy looks like his dad and the girl looks like her mother. I clooks like my mother This family some as my family They were diddle some as my bamily like me and my family have and they do too. They live happy with each other and rall live hoppy too. I think they live in some house and use like in some house too. The women in sicture little bit looks like my mom

In the writing sample, you will see that Baila:

- Has sufficient vocabulary to provide information using simple language;
- Uses adjectives (little, tall, thin, long) to provide descriptive detail;
- Spells common, high-frequency words with increasing accuracy;
- Uses capitals and basic punctuation with increasing accuracy and is beginning to use more advanced punctuation like the apostrophe (that's);

- Uses pronouns (my, they);
- Writes straightforward text using transitional words such as and and because;
- Writes compound sentences.
