

Who are my EAL students?

Step One: Go on to your teacher class portal. You will see the list of EAL students tab on the left.

The screenshot shows the PowerSchool SIS interface for Dalmeny High School, 20-21 Year. The left navigation menu includes: PowerTeacher Pro, Start Page, Daily Bulletin, Schedule, Staff Directory, Meals, Reports, Recommendations, Provincial Assessment Instructions, **List of EAL Students** (circled in red with a red arrow pointing to it), and Provincial Assessments. Below the navigation menu is a 'PTG 2.8' button with a 'Launch' dropdown. The main content area is titled 'Current Classes' and displays a list of classes with columns for course name, teacher, and various icons.

Step Two: You will see your EAL students listed by name as well as their CFR score and the last date it was updated.

The screenshot shows the PowerSchool SIS interface for Dalmeny High School, 20-21 Year. The left navigation menu is the same as in the previous screenshot. The main content area is titled 'EAL Students' and displays a table with the following data:

Student	Score	Last Modified	Action
Student A	A1.2	Apr. 01, 2021	Edit
Student B	No Score Yet	Jan. 11, 2021	Edit
Student C	No Score Yet	Jan. 11, 2021	Edit
Student D	B1.2	Sep. 10, 2020	Edit

Below the table, a message states: 'This page has been modified by the following custom plugins: PSSD EAL Students List V1.0.0'.

Teachers will need a copy of the Common Framework of Reference (CFR) document for their grade to determine student's score at the end of the school year. This can be found on the EAL portal, which is located on Prairie Spirit's main webpage.
