Why Group Benefits?

Why Group Benefits?

Government health plans can provide coverage for such basic medical expenses as hospital charges and doctors' fees. In case of disability, government plans (such as Employment Insurance, Canada/Quebec Pension Plan, Workers' Compensation Act, etc.) may provide some financial assistance.

But government plans provide only basic coverage. Medical expenses or a disability can create financial hardship for you and your family.

Private health care and disability programs supplement government plans and can provide benefits not available through any government plan, providing security for you and your family when you need it most.

Your Employer's Representative

Your Employer's Representative

Your employer is responsible for ensuring that all employees are covered for the Benefits to which they are entitled by reporting all new enrolments, terminations, changes, etc., and keeping all records up to date.

As a member of this Group Benefit Program, it is up to you to provide your employer with the necessary information to perform such duties.

Your Employer's Representative is _____
Phone Number: (_____) _____ - _____

Please record the name of your representative and the contact number in the space provided.

Applying for Group Benefits

Applying for Group Benefits

To apply for Group Benefits, you must submit a completed Employee Benefit Plan Enrollment Form, available from your employer. Your employer then forwards the application to the Administrator.

Making Changes

Making Changes

To ensure that coverage is kept up to date for yourself and your dependents, it is vital that you report any changes to your employer. Such changes could include:

- change in Dependent Coverage
- change in Beneficiary
- applying for coverage previously waived
- change in Name

The Claims Process

How to Submit a Claim

All claim forms, available from your employer, must be correctly completed, dated and signed. Remember, always provide your Group Policy Number, Plan Document Number and your Certificate number (found on your Group Benefit Card) to avoid any unnecessary delays in the processing of your claim.

Your employer can assist you in properly completing the forms, and answer any questions you may have about the claims process and your Group Benefit Program.

Payment of Extended Health Care and Dental Claims

Once the claim has been processed, Manulife Financial will send a Claim Statement to you.

The top portion of this form outlines the claim or claims made, the amount subtracted to satisfy deductibles, and the benefit percentage used to determine the final payment to be made to you. If you have any questions on the amount, your employer will help explain.

The bottom portion of this form is your claims payment, if applicable. Simply tear along the perforated line, endorse the back of the cheque and you can cash it at any chartered bank or trust company.

You should receive settlement of your claim within three weeks from the date of submission to Manulife Financial. If you have not received payment, please contact your employer or please call Manulife Financial Customer Service at 1-800-268-6195.

Co-ordination of Extended Health Care and Dental Care Benefits

If you or your dependents are covered for similar benefits under another Plan, this information will be taken into account when determining the amount of expenses payable under this Program.

This process is known as Co-ordination of Benefits. It allows for reimbursement of covered medical and dental expenses from all Plans, up to a total of 100% of the actual expense incurred.

Plan means:

- other Group Benefit Programs;
- any other arrangement of coverage for individuals in a group; and
- individual travel insurance plans.

Plan does not include school insurance or Provincial Plans.

The Claims Process

Order of Benefit Payment

Order of Benefit Payment

A variety of circumstances will affect which Plan is considered as the “Primary Carrier” (ie., responsible for making the initial payment toward the eligible expense), and which Plan is considered as the “Secondary Carrier” (ie., responsible for making the payment to cover the remaining eligible expense).

- If the other Plan does not provide for Co-ordination of Benefits, it will be considered as the Primary Carrier, and will be responsible for making the initial payment toward the eligible expense.
- If the other Plan does provide for Co-ordination of Benefits, the following rules are applied to determine which Plan is the Primary Carrier.
 - For Claims incurred by you or your Dependent Spouse:

The Plan covering you or your Dependent Spouse as an employee/member pays benefits before the Plan covering you or your Spouse as a dependent.

In situations where you or your Spouse have coverage as an employee/member under more than one Plan, the order of benefit payment will be determined as follows:

- The Plan where the person is covered as an active full-time employee, then
 - The Plan where the person is covered as an active part-time employee, then
 - The Plan where the person is covered as a retiree.
- For Claims incurred by your Dependent Child:

The Plan covering the parent whose birthday (month/day) is earlier in the calendar year pays benefits first. If both parents have the same birthdate, the Plan covering the parent whose first name begins with the earlier letter in the alphabet pays first.

However, if you and your Spouse are separated or divorced, the following order applies:

- The Plan of the parent with custody of the child, then
- The Plan of the spouse of the parent with custody of the child (i.e., if the parent with custody of the child remarries or has a common-law spouse, the new spouse’s Plan will pay benefits for the Dependent Child), then
- The Plan of the parent not having custody of the child, then
- The Plan of the spouse of the parent not having custody of the child (i.e., if the parent without custody of the child remarries or has a common-law spouse, the new spouse’s Plan will pay benefits for the Dependent Child).

The Claims Process

- Where you and your spouse share joint custody of the child, the Plan covering the parent whose birthday (month/day) is earlier in the calendar year pays benefits first. If both parents have the same birthdate, the Plan covering the parent whose first name begins with the earlier letter in the alphabet pays first.
- A claim for accidental injury to natural teeth will be determined under Extended Health Care Plans with accidental dental coverage before it is considered under Dental Plans.
- If the order of benefit payment cannot be determined from the above, the benefits payable under each Plan will be in proportion to the amount that would have been payable if Co-ordination of Benefits did not exist.
- If the person is also covered under an individual travel insurance plan, benefits will be co-ordinated in accordance with the guidelines provided by the Canadian Life and Health Insurance Association.

Submitting a Claim for Co-ordination of Benefits

Submitting a Claim for Co-ordination of Benefits

To submit a claim when Co-ordination of Benefits applies, refer to the following guidelines:

- As per the Order of Benefit Payment section, determine which Plan is the Primary Carrier and which is the Secondary Carrier.
- Submit all necessary claim forms and original receipts to the Primary Carrier.
- Keep a photocopy of each receipt or ask the Primary Carrier to return the original receipts to you once your claim has been settled.
- Once your claim has been settled by the Primary Carrier, you will receive a statement outlining how your claim has been handled. Submit this statement along with all necessary claim forms and receipts to the Secondary Carrier for further consideration of payment, if applicable.

Your Critical Illness benefit includes Health Service Navigator, a service designed to provide credible health information and resources to assist you in better understanding your health concerns and health services available within Canada and your local community. It includes provincial guides that summarize the coverage available to you through your provincial health plan coverage, a national physician search database and tips on how to navigate and leverage the myriad of health resources available to you within the Canadian health care system. Health Service Navigator also provides access to a second opinion service delivered through a premiere second opinion service coordinator with a consortium of highly ranked U.S. based hospitals that support the service. Second opinions are available for a broad range of specific medical conditions.

Limitations

Any medical conditions that are a direct result of either of the following events are excluded from coverage for Health Service Navigator:

- Radioactive Contamination that is not associated with one's occupation; or
- War or warlike operations (whether war is declared or not), invasion, act of foreign enemy, hostilities, mutiny, riot, civil commotion, civil war, rebellion, revolution, insurrections, conspiracy, military or usurped power, martial law or state of siege, or any events or causes which determine the proclamation or maintenance of martial law or state of siege.

Furthermore, Manulife Financial shall not be liable for any expense incurred by you or your eligible dependent which is not specifically described and covered under this Health Service Navigator benefit or your Group Benefits Policy, including but not limited to the cost of treatment, travel costs, fees, medical expenses, appointment cancellation charges and other expenses.

Right of Refusal

In some cases, the medical information submitted by the patient may be determined by the physicians of the consortium hospitals to be insufficient, or not of an adequate quality to render a second opinion. In such cases, the second opinion service coordinator will inform the patient within 24 hours, of the reasons for the inability to deliver a report. The patient will then have the opportunity to deliver additional or alternative material to the second opinion service coordinator, for consideration by the physicians of the consortium hospital rendering the opinion. If such information is still insufficient, then the physicians of such consortium hospital have the right to refuse to render a second opinion, and neither they nor the second opinion service coordinator nor Manulife shall have any further obligation in relation to such second opinion request.

How to Access ManuAssist - Your ManuAssist Card

Your ManuAssist card lists the toll free numbers to call in case of an emergency, while travelling outside your province. The toll free number will put you in touch with the international travel assistance organization.

Claims for Out-of-Canada expenses must first be submitted to the Provincial Plan for payment. Any outstanding balance should be submitted to Manulife Financial, along with the explanation of payment from the Provincial Plan.

- Workers' Compensation or similar coverage
- Canada or Quebec Pension Plans, excluding dependent benefits

Termination of Benefit Payments

Long Term Disability - Termination of Benefit Payments

Your disability benefit payments will cease on the earliest of:

- the date you cease to be Totally Disabled, as defined under this benefit.
- the date you do not supply Manulife Financial with appropriate medical evidence documenting how your illness or injury causes restrictions or lack of ability such that you are prevented from performing the essential duties of:
 - your own occupation, during the Qualifying Period and the following 2 years, and
 - any occupation for which you are qualified, or may reasonably become qualified, by training, education or experience, after the 2 years specified above.
- the date you do not attend an examination by an examiner selected by Manulife Financial.
- the date on which benefits have been paid up to the Maximum Benefit Period for this benefit.
- the date of your death.

Recurrent Disability

Long Term Disability - Recurrent Disability

If you become Totally Disabled again from the same or related causes within 6 months from the end of the period for which Long Term Disability benefits were paid, Manulife Financial will treat the disability as a continuation of your previous disability.

You will not be required to satisfy the Qualifying Period again. The benefit payable to you will be based on your earnings as at the date of your previous disability. Benefits for all such recurrent disabilities will not be paid for a combined period longer than the Maximum Benefit Period for this benefit.

If the same disability recurs more than 6 months after the end of the period for which benefits were paid, such disability will be considered a separate disability.

Two disabilities which are due to unrelated causes are considered separate disabilities if they are separated by a return to work of at least one day.

Waiver of Premium

Long Term Disability - Waiver of Premium

The premium for your Long Term Disability benefit will be waived during any period you are entitled to receive Long Term Disability benefit payments. When the Waiver of Premiums is approved, premiums will be waived from the premium due date coincident with or next following the end of the Qualifying Period.
