

Top 5 Things That Are Important For High School Success

- LEARNERS FOR LIFE -

1.) EDUCATION IS DIFFERENT IN CANADA

- Students work alongside their teachers and classmates to construct knowledge and build understanding.
- Students may demonstrate how they have met curriculum outcomes in a variety of ways (e.g.: print, visual, PowerPoint, etc.).

2.) A GOOD WORK ETHIC IS ESSENTIAL

- Regular attendance at school is necessary for success.
- In order for students to achieve the course outcomes they are required to complete homework and class assignments. Additional time may be needed to complete assignments and will be provided when requested.

3.) CFR SCORES INDICATE WHEN A STUDENT IS READY TO TAKE CORE CREDIT COURSES

- Students must achieve a CFR score of B1.1 before beginning to take core credit courses for graduation.
- Auditing core courses will help to develop academic language needed for success.

4.) LEARNING PATHWAYS ARE DESIGNED TO MEET INDIVIDUAL STUDENT NEEDS

- A 5 year Graduation Plan has been developed
- Students will be provided with more time to meet graduation requirements so that they can work towards achieving a high academic standard in school.

5.) LEARNING TAKES TIME

It is important to keep in mind that each journey is unique and that taking the extra time to graduate will only ensure success for EAL students after they leave high school.
