

RECOGNITION OF RELATED EXPERIENCE

Article 3 of the *Provincial Collective Bargaining Agreement* provides for the recognition of "Related Experience" for increment purposes. A committee must be established to consider the eligibility of this experience. Examples of professional experience are out-of-country teaching experience or experience in their field of work that is not within a school division setting (ie. First Nation schools, health care, private practice, etc). This committee will meet in January, May, and September to consider application.

This short questionnaire will assist the committee in making their decision as to whether or not the experience will qualify for salary incremental purposes.
