Important Note: The “basic grant” that STF provides to each Special Subject Council is based, in part, on the number of STF members who belong to the Council. For the purpose of calculating this grant, the term “STF member” refers to all individuals who are employed as teachers in Saskatchewan and who, as a condition of their employment, are required to be members of the Saskatchewan Teachers’ Federation. The grant calculation also recognizes superannuates/retired teachers who are members of Special Subject Councils. **To facilitate the processing of “basic grants”, please forward your signed and dated membership application/renewal forms before November 1st annually.**
