

2018 Yard Care Tender Addendum #1 - Issued at 4:30 p.m. March 5, 2018

Questions									
Facilities	Does your school have an automatic sprinkler system or does someone regularly water the lawn?	Does your school have athletic fields? If so, how many and for sports and are they irrigated?	Are we expected to mow the athletic fields as part of this tender? If so, are there times/days that the fields are being used by sports teams therefore inaccessible for mowing?	In past seasons, how often was the lawn mowed at your school? 1x per week for irrigated areas? 1x bi-weekly for Non-irrigated?	Are there any areas that don't get cut?	What spraying applications are required at the sites?	What areas require a spraying application?	Contract Tilling Areas	Non-Contract Tilling Areas - Extra Hourly Rate
Aberdeen School	No	3 fields, one is irrigated	Yes, contact school for schedule if successful.	Frontage and around the school once a week, the rest usually once every 2 weeks more or less depending on the weather. <u>This is for all facilities.</u>	Yes, the courtyard.
