Learning sticks and fits when it is related to the Big Picture, answers the Big Questions.

Learning together to build understanding and to solve problems. Not working in isolation. Everyone can contribute. Learners are diverse in world view, culture, language, gender identity, ability and interests and this is how we learn together.

Knowing where you are so that you know where you are going as a learner.

There are many ways, options, approaches to learn and to show learning.

We teach to all learners. All learners can and have a right to learn. This is who we serve.

Knowledge that is built by the learner is owned by the learner.

Learning alongside each other, supporting one another, challenging one another, celebrating together.
