**New Ultra Experience for E-Online** (Wednesday, July 21, 2021)

As of August 6, 2021, the Ministry of Education's Blackboard system will be upgraded to the new "Ultra" experience. The new "Ultra Base Navigation" means a less cluttered, mobile friendly design and simplified navigation. "My Place" will no longer exist. After logging in, you will land on the institution page where you will find an activity stream, your courses and organizations, and other tools on a panel on the left side of the window.

All existing courses and organizations will stay as they are for the foreseeable future. Teachers/leaders will have the choice of creating new courses and organizations in the "Original" or "Ultra Course View". However, while the Ultra Course View offers the more modern look and navigation, the Original Course View offers more advanced and robust tools, many of
